

The Tenth Annual Conference on the Southern Ethiopia Economic Development

Hawassa, March 2022

Conference Announcement and Call for Papers

The Ethiopian Economics Association (EEA) in collaboration with its Hawassa Chapter will hold its 10th Annual conference on Southern Ethiopia Economic Development. The conference is growing to be a platform for academia, practitioners, policy makers and the general public.

Hence, EEA cordially invites interested scholars to submit their original research works for presentation on the main theme “Agriculture, Industry and Tourism for Sustainable Regional Development” which will be held on March 26, 2022.

Papers from other parts of the regions are also accepted provided that lessons can be drawn to Southern Ethiopia Economic Development from other regions or country experience.

Conference Subthemes

- Agricultural and Rural Development
 - Environment and Climate Change
Urban, Industrial and Infrastructural
Development
 - Poverty, Welfare and Human
Development
 - Sustainable Use of Natural Resources
 - Population Dynamics and Economic
